Publications

- Mukherjee P**, Ramsden J, Donnelly N, Axon P, Saeed S, Fagan P, Irving R. Cochlear implantation in untreated Vestibular Schwannomas: a multicentre study. *Otology and Neurotology*. 2013, 34 (7): 1291-8.
- Mukherjee P**, Uzun H, Wong C, Curthoys I, Jones A, Gibson W. Assessment of intracochlear trauma caused by the insertion of a new straight research array. *Cochlear Implant International*. 2012; 13 (3): 156-62.
Conducted as of Masters of Surgery Dissertation
- Mukherjee P**, Street I, Irving R. Intracranial Lipomas affecting the Cerebellopontine angle and Internal Acoustic Canal: a case series. *Otology and Neurotology*. 2011; 32 (4): 670-5.
- Mukherjee P**, Uzun H, Curthoys I, Jones A, Pohl D. Three dimensional analysis of the vestibular end organs in relation to the stapes footplate and piston placement. *Otology and Neurotology*. 2011; 32 (3): 367-72.
- Flannagan S, **Mukherjee P**, Tonkin J. Outcomes in the use of intratympanic gentamicin in the treatment of Meniere's disease. *Journal of Laryngology and Otology*. 2006; 120 (2): 98-102
- Mukherjee P**, Saunders N, Liu R, Fagan P. Long term outcome of Modified Radical Mastoidectomy. *Journal of Laryngology and Otology*. 2004; 118 (8): 612-6.
- Mukherjee P**, Kalish L, Delprado W, Crea P. Telangiectatic Osteosarcomatous differentiation in a Phyllodes tumour. *ANZ Journal of Surgery*. 2004;74 (8): 707-9.
- Mukherjee P**, Aldred RJ. Dr. Deckle and this scar hyde. *St. Vincent's Clinic Proceedings*. 2009, 17 (1): 5-7..

Presentations

- Understanding the membranous labyrinth in 3D – updates on microCT.
Payal Mukherjee, Chris Wong, Ian Curthoys, David Pohl
Oral presentation NOTSA - 2013
Poster Presentation: Frontiers 9th Biennial Conference – 2014
- Cochlear implantation in untreated Vestibular Schwannomas: a multicentre study
Payal Mukherjee, Simon Lloyd, Shak Saeed, Richard Irving
Oral presentation ASOHNS-2013
Oral presentation 2012: World Skull base Congress
Oral presentation 2011: 12th Asia-oceania ORL-HNS Congress
- Intracranial Lipomas affecting the Cerebellopontine angle and Internal Acoustic Canal: a case series.
Payal Mukherjee, Ian Street, Richard Irving
Oral Presentation 2012: World Skull base Congress
Oral presentation ASOHNS - 2013
- Management of Intrapetrous Internal Carotid Artery Anneurysm: a case series
Payal Mukherjee, Ravi Huilgol, Paul Fagan
Oral Presentaion May 2012: World Skull Base Congress
Oral presentation ASOHNS-2013
- Assessment of intracochlear trauma caused by the insertion of a new straight research array
Payal Mukherjee, Hilal Uzun, Chris Wong, Ian Curthoys, Allan Jones, William Gibson
Commenced as part of Masters of Surgery Dissertation:
Oral presentation ASOHNS, Sydney, March 2010
Oral presentation March 2011: 12th Asia-oceania ORL-HNS Congress
- Temporal bone study using micro CT scans to measure distance of utricle and saccule from the stapes footplate
Payal Mukherjee, Hilal Uzun, Ian Curthoys, Allan Jones, David Pohl
Oral presentation ASOHNS, 2010,

Publications List

Dr Payal Mukherjee

As at : 28/08/2014

Oral Presentation: 12th Asia-Oceania ORL-HNS Congress – Auckland, 2011
Poster presentation XXVI Bárány Society Meeting, Reykjavik, Iceland: 2010

Incidence and implication of incorrect diagnosis of Bell's Palsy and designing a protocol to avoid resulting morbidity
Payal Mukherjee, Susan Coulson, Glen Croxson
Oral presentation ASOHNS, Sydney, March 2010

Vestibular Schwannoma: Medial Migration of an Intracanalicular tumour as a sign of rapid growth.
P. Mukherjee, J. Roche, P. Fagan.
Poster Presentation ASOHNS National Scientific Meeting – March 2006

Long term outcome of Modified radical Mastoidectomy in the treatment of Cholesteatoma.
P. Mukherjee, N. Saunders, P. Fagan.
Oral presented ASOHNS National Scientific Meeting – March 2004

The Deckled Skin Incision - a novel technique in the treatment of Head and neck cancers.
P. Mukherjee, M. Miroshnik, D. Caminer, J. Flood, S. Liew, R. Aldred.

Oral Presentation: NSW Registrars' Conference - August 2003

Oral Presentation: Cabrini Clinical Education and Research Institute: Annual Scientific presentation for Sir Edward Hughes Memorial Research Prize in Surgery - Monash University, Melbourne (October 2004)
