OPTION 2 = over the phone via Visa or MasterCard - Phone +61 (0)2 9480 9333

*No other options are available for payment of the SAH Residence Application Fee.  
Following check-in ongoing payment of accommodation is via BPAY.*

---

#### What happens after I submit the Application Form and pay the Application Fee?

Following submission of a completed Application Form and payment of the Application Fee Residence staff will process the application. Once the application has been processed, successful applicants will be notified by email that their application has been successful and confirmation will be given for the date of check-in. Successful applications will also receive, as part of their confirmation of acceptance email, additional information about the SAH Residence which will be helpful in preparation for living within the Residence.

Unsuccessful applicants will receive a letter from the Housing Services Manager and a refund of the Application Fee.

#### Check-in days and times

Applicants have the freedom to provide, on the Application Form, a preferred date for check-in which is suitable to their own plans. The preferred date will change to a confirmed date once an application has been processed and accepted.

Check-in is restricted to business days - Monday through Friday between the hours of 10:30am and 3:00pm.  
Check-in is not available on weekends, public or Adventist HealthCare Limited gazetted holidays.

Overseas or long distance travellers will need to ensure their flights and/or travel plans line up with these check-in times, particularly the 3:00pm close-off. If travel cannot be arranged around our check-in trading hours the applicant will be required to pre-book a Guest room (additional charges apply). Accommodation within the Guest room will occur until completion of check-in to the residential room.

Please note: Residential rooms will not be made available for occupancy until the check-in process has been completed.

#### I cannot meet the advertised Check-in days or time what do I do?

As explained at "check-in days and times" above, if applicants cannot meet our check-in days or time we can provide accommodation within our Guest rooms. Guest room reservations are conducted as separate transactions from the residential application process and attract costs (min. \$55.00 per night) over and above the advertised residential accommodation Rate. A Booking Fee, or in some circumstances the full Guest room charge, is payable at the time of making the reservation. Guest accommodation is not guaranteed until payment of the Booking Fee has been made. As guest rooms are subject to availability reservations must be made in advance. Without the guarantee of the reservation applicants may find no accommodation is available to them on arrival at the SAH Residence.

Guest room keys, for guaranteed (paid) reservations, are then available to guests for their collection at the hospital's Security Department. Check-in to the residential room can then occur during our next business day.

#### What if I need to change my check-in date?

If the check-in date needs to be changed, please notify Residence Reception as soon as plans change. Phone Reception on (02) 9480 9333. Reception trading hours are Monday to Friday 9:30am to 5:30pm except public holidays (reduced hours from 9:30am to 2:00pm may occur between 24 December and 7 January).

#### Payment of accommodation charges

As part of check-in a minimum of 1 week's accommodation must be paid. Check-in cannot be completed until this payment has been made. It is then the resident's responsibility to ensure ongoing payments are paid when they are due. It is also the resident's responsibility to make note of rate increases and to change their payment amounts accordingly. Debts or arrears are strictly managed under the Resident Handbook where penalties can apply.

Once check-in is completed, ongoing accommodation payments are processed through BPAY. Personalised BPAY details will be provided as part of check-in.

Please Note: the folio credit which is paid as part of the Application Fee is held in trust until such time as a Notice of Departure has been provided. At that time this credit is automatically applied to the accommodation folio to assist with the last few weeks' accommodation payments or if unused, it will be refunded with any Room Bond refund.

## GENERAL INFORMATION

### How do I know the 'House Rules' and what happens if I break them?

The Resident Handbook defines the SAH Residence 'House Rules'. As part of check-in residents receive a copy of the Resident Handbook. The Handbook includes a copy of the Occupancy Agreement signed at check-in between the resident and Adventist HealthCare Limited. The Occupancy Agreement legally provides residents with a license to occupy the SAH Residence building. With that license comes the responsibility to respect and adhere to the requirements set out in the Resident Handbook, regardless of whether the resident personally agrees with those policies/rules or not. By signing the Occupancy Agreement the resident is acknowledging they will uphold the Policy and requirements of the Resident Handbook and are aware they will be held accountable to the Resident Handbook rules.

In technical terms when the 'House Rules' are broken or disregarded, the individual is in 'Breach' of the Occupancy Agreement. Penalties, including monetary fines and termination of the Occupancy Agreement may apply where a Breach of the Resident Handbook occurs. Breaches to zero tolerance policies (for example, smoking or consuming alcohol within the SAH Residence or Hospital estate) will incur an immediate termination of the Occupancy Agreement.

The SAH Residence has unique zero tolerance policies in relation to its gender specific accommodation as well as smoking and alcohol within the building, so it is important that residents read through the Resident Handbook so they are familiar with its requirements and responsibilities. For full disclosure on all policies and requirements, please read the Resident Handbook. The Resident Handbook is available on a link at the following website: <https://www.sah.org.au/residence-accommodation>

### Late Payment of Accommodation Charges

It is important for the resident to initiate communication with the Housing Services Manager when payment of accommodation charges will not be met or paid on time. This communication will determine if an extension on the payment period will be granted or if penalties will be imposed.

The penalties for late payment are drawn from the Resident Handbook. These penalties can also affect the resident's ability to live within the Residence. It is important that financial management is prioritised if the resident wishes to avoid enforcement of late payment penalties.

### Invoices & Receipts

Similar to a rental situation invoices for accommodation charges are not generated. The *SAH Residence: Schedule of Fees* (dated as current to the year of occupancy) is the official documentation which states the charge for accommodation within the SAH Residence.

Receipts will only be issued for transactions undertaken at the Residence reception desk.

### Resident Handbook

The SAH Residence is not bound by the *Residential Tenancies Act*. Successful applicants are granted a license to occupy a room within the Residence under the terms and conditions of the Resident Handbook and the Occupancy Agreement. The Resident Handbook outlines the "House Rules" of the Residence.

The Occupancy Agreement, which forms part of the Resident Handbook, is signed at check-in and establishes an acceptance of the requirements each resident will uphold while living in the SAH Residence. By signing the Occupancy Agreement at check-in the new resident is acknowledging that they will uphold the Policy and requirements set out in the Resident Handbook. Penalties apply where the Policy and requirements are not upheld by the resident.

Each resident receives their own copy of the Resident Handbook at check-in.

### Resident Parking

Parking for residents, staff and visitors across the entire Hospital estate is on a user pays basis. Pre-paid parking will provide the most cost effective option. Parking management is outsourced to the Wilson Parking Group (WPG). Their office is located opposite the main entry to the hospital on Level 2 of the multi-level car

park (via entry to the hospital estate via the traffic lights at 185 Fox Valley Road). All enquiry for parking should be with the WPG, or in some cases the hospital Security office may be able to advise.  
Please Note: No charge applies to vehicles which leave the estate prior to 20 minute from the timeframe of entry.

#### Further Information

Further information, including the Resident Handbook, is available through a link on the Adventist HealthCare website: <https://www.sah.org.au/residence-accommodation> alternatively contact the Housing Services Manager.
